Cross Lists

Cross List Kycon's Parts with any of the companies listed below. If you do not know which company you would like to cross with, take a look at our main cross list which includes all companies in one pdf file.

The cross lists are for recommendation only please request samples before design and order.

Order Samples | Order Catalog

Also this is not a complete cross list. If the part number that you are looking for is not found here please contact Kycon for more help.

In order the view and print these documents, you will first need to install an Acrobat Reader on your system, available free from Adobe for most operating systems.

MAIN CROSS LIST

Clicking on the company name will take you to the cross list, clicking on the logo will take you to thier homepage.

3M	Adamtech	AMP
Amphenol	Berg Electronics	Hirose
Hosiden	Maxconn Incorporated	Methode Electronics, Inc.
Molex	Positronic	Robinson Nugent
Samtec	Singatron Technology	SMK Electronics (coming soon)

Switchcraft	Thomas & Betts	
Switchcraft®	Thomas&Betts	

Link to industy.net if the company you are looking for is not listed.
